

SOUTH AFRICAN AIRWAYS TIMETABLE

As Africa's most-awarded airline, South African Airways (SAA) operates from Johannesburg to 24 destinations in 18 countries across the globe.

SAA is the leading carrier in Africa, serving 87 destinations in 32 countries. It does so in partnership with SA Express, Airlink, and its wholly-owned low-cost carrier, Mango, within South Africa, across the African continent, and to seven international destinations from its Johannesburg hub.

Our domestic schedule offers SAA flights between Johannesburg and Cape Town; and through our codeshare agreement with Mango, to coastal cities Durban, Cape Town, East London, and Port Elizabeth as well as between Cape Town and Durban, Cape Town to Bloemfontein, and Johannesburg to Zanzibar, Tanzania.

Regionally, SAA offers direct flights to 15 destinations across the African continent, namely Accra, Blantyre, Dar es Salaam, Harare, Kinshasa, Lagos, Lilongwe, Livingstone, Lusaka, Maputo, Mauritius, Nairobi, Victoria Falls and Windhoek.

SAA's international network creates links to all major continents from South Africa through seven direct routes and numerous codeshare flights, with daily direct flights from Johannesburg to Frankfurt, London (Heathrow), New York (JFK), Perth, São Paulo and Washington (Dulles). We have codeshare agreements with 29 other airlines.

SAA is a member of Star Alliance, which offers more than 19 000 daily flights to more than 1 300 airports in 195 countries. SAA has won the "Best Airline in Africa" award in the regional category for 15 consecutive years. Mango and SAA hold the number 1 and 2 spots as South Africa's most on-time airlines.
