Dear Customer,

July has been a month of continuous growth and re-affirmation of our position as the leading airline on the African continent. That's because we strive to provide our customers with the best experience at every point of their journey.

A testament to this is SAA's Skytrax Award win for the best airline in Africa - for the 14th consecutive year. This is an important token of the quality of our service because Skytrax is voted by the people who matter - you, our customers.

We are also celebrating our 20-year anniversary of flying to Accra, Ghana and 25 years to Nairobi, Kenya, a great highlight in our effort to connect Africa and the world. Follow the links to find out more about the history of these partnerships.

To all the women of South Africa, we thank you for your continued role in helping shape the nation, and for always being a source of support and inspiration, and we wish you a happy Women's Month.

Kind Regards

South African Airways

SAA News

SAA gets its green wings

SAA took to the skies on July 15th with Africa's first sustainable biofuel flights made completely from locally grown tobacco. The SAA and Mango flights between Johannesburg and Cape Town made history as the first sustainable biofuel flights to have taken place on the African continent.

SAA’s proactive approach to sustainability and reducing its carbon footprint shows that it is possible to produce environmentally, ethically and socially sustainable biofuel while still improving the lives of smallholding farmers in South Africa.

SAA announces a new addition to its African Route Network.
As part of our effort in improving your travel experience with us, SAA will be flying between Johannesburg to Libreville and connecting to Cotonou from 1 August 2016.

The new addition will operate three times a week (Tuesday, Friday and Sunday). Flights between Pointe Noire and Cotonou have unfortunately been cancelled as of 31 July 2016.

Joburg Shopping Festival

Knowing what gift to buy someone takes skill, those who have perfected it know it's all about thinking outside the box. In celebration of the art of gifting, SAA and Rosebank Mall are giving away R30 000 in shopping vouchers.

To win your share, tell us what unique gift worth R1000 you would buy to make a loved one smile. You can use your voucher to make it a reality at the Joburg Shopping Festival. Use #FlySAA and #RosebankMall on Facebook to enter. Ts and Cs apply.
Whether travelling alone, or in company, we all have our seating preferences. With our Advanced Seat Reservations system, you can now choose that window seat, be certain you are seated with your family, or ensure that extra bit of leg room. For a small additional fee, the choice is yours.

Booking a seat is easy, it can either be done while booking your flight, or after you've purchased your flight via the "Manage My Booking" tab, following these three easy steps:

1. Login to Manage My Booking.
2. Select the Seats links from "Before my flight".
3. From the seat map, select a seat for each passenger, accept the Terms and Conditions and pay the associated fee.

SAA has once again been presented with the Skytrax award for the best airline in Africa for the fourteenth consecutive year.

These awards are based on unsolicited customer feedback which makes them the benchmark of airline excellence.

Other recent additions to the trophy case include the Coolest Domestic Airline voted by the youth of today, a prestigious design award for the new VIA Lounge at OR Tambo International, awarded by the International Yacht and Aviation Awards as well as the award for the highest growth of ancillary sales at the Amadeus Merchandising, Digital and Travel Intelligence Conference.
